Hawaiian Electric Company.

The cleanest, brightest, safest and really, in the long run, the cheapest and best light for use in the family residence, is the incandescent electric light. Safe; nothing could be safer. A few days ago a prominent gentleman of Honolulu came rushing down to the office of the Electric Company and said: "Give me figures for wiring my house, and I want it done at once; no more lamps for me. Last night a lamp tipped over and it came so near setting fire to the house and burning my children and I take no more risks." This is the sentiment of quite a number in the past few weeks, who have ordered their houses fitted with the perfect light. Just think it over and make up your mind that you want the best and safest light; send for the Hawaiian Electric Company and tell them what you want. We have a complete stock of everything in this line and have just received a lot of the very latest designs in chandeliers

GIVE US A CALL.**All Bushmen****Use it****For Cleansing the Blood it has no Equal.**

We give below the portrait and testimonial of Mr. Granger Ward of Brisbane, Queensland

"Some years ago while in America I had fever and Ague. It left me in a very weak state and quite done up. I took some of Dr. Ayer's Sarsaparilla and it soon put me to rights and my strength returned. I can safely recommend

AYER'S Sarsaparilla

to others. While in the bush of this country I had an attack of scurvy but I soon got free of this complaint by using the same remedy. For cleansing the blood and for eruptions of the skin I do not think it can be beat. All the bushmen use it."

For Constipation take Dr. Ayer's Pills. They promptly relieve and surely cure. Take them with Dr. Ayer's Sarsaparilla, one also the other.

HORATIO POTTER STACPOLE

FORMERLY MAJOR OF TENTH ALBANY BATTALION.

His Connection with the National Guard of New York has Long Been a Brilliant and Active One.

Tall and straight as an arrow, of a goodly six feet, and with a most soldierly and commanding appearance, Lieutenant Colonel Horatio Stacpole looks every inch of him the soldier that he is. Governor Black, in appointing him to the lieutenant colonelcy of the First New York regiment, paid a fitting compliment to his thirty-one years of faithful service in the National Guard of his native state. Colonel Stacpole is 49 years of age, and was born in Albany, N. Y., where he has resided ever since. On the 6th of May, 1867, he enlisted as a private in Company B of the Tenth Battalion of Albany. Ten years later he was elected captain of the same company and served in that capacity for fourteen years, when he was chosen major of the famous battalion. He held this office when the war broke out, but resigned to accept the lieutenant colonelcy of the First New York, inasmuch as the entire Tenth battalion, composed of Companies A, B, C and D all of Albany, were selected by Governor Black to form the First battalion of the regiment now here. Colonel Stacpole's connection with the National Guard of New York has been a brilliant one, and to his own personal endeavors is largely due the high state of efficiency of that guard. The Tenth battalion is considered the finest military organization in the state. Company B was organized in 1854, Company A in 1860 and Companies C and D shortly afterward. During the war the Tenth battalion was known as the One Hundred and Seventy-seventh volunteers of the Tenth Regiment, but resumed its old name after being mustered out of the service, and Colonel Stacpole declares that if the four companies are spared to return to their native state they will again be known as the famous and reliable Tenth battalion of Albany.

MARSHAL'S SALE.By virtue of a writ of execution issued out of the District Court of Honolulu, Island of Oahu, Republic of Hawaii, on the 5th day of September, A. D. 1898, against James K. Christmas

is not far off now and you want to begin to think about that bicycle for your small boy or girl.

The "Ideal" juvenile wheel has proved the strongest and best wheel for the money ever brought here. We guarantee it will last till your child outgrows it. It has been found that children prefer to ride off of sidewalks, down the front steps and most anywhere except on a smooth road, so we have introduced a wheel the past year that enjoys this sort of treatment. You will find an "Ideal" for your little one a good investment. Call and examine them.
